Crowborough Beacon Golf Club

Coaching Academy 2011

Ultimate introduction to Golf

Membership of the Crowborough Beacon Golf Coaching Academy offers men and women of all ages the opportunity to learn golf on one of the best courses in Britain.

A key feature of Coaching Academy membership is the 12 group lessons with our PGA Professional, Dennis Newnham.

The lessons can start with the basic fundamentals for beginners but, for golfers returning to the game, something a little more advanced is offered. The lessons include:

- *grip, stance and posture*
- *use of Driver, Fairway Woods and Irons*
- *chipping and pitching*
- *putting*
- *rules of golf & etiquette*
- *marking a score card*
- *getting a handicap*

Dennis provides drills to work on and students are encouraged to practice and play together to gain confidence.

Also included are 12 rounds of golf over our simpler Conan Doyle course. Playing off blue tees, the course is shorter and has fewer obstacles. It is still top quality as it uses the fairways and greens of the main course and is perfect for beginners.

Handicaps can be attained on the Conan Doyle course after which students may progress to the longer main course.

Benefits of Academy Membership:

- *learning together with people of like minds and abilities*
- *12 structured lessons covering all aspects of golf*
- *unlimited use of the practice facilities*
- *qualify for a handicap*
- *12 rounds of golf*
- *invite friends to play at reduced rates*
- *full use of the clubhouse, bar and restaurant*
- *entertain guests and clients at 'your club'*
- *fun social events and dinners*
- *entry fee of £250 waived on taking up full membership.*
