

Crowborough Beacon Golf Club

Thank you for your enquiry...

*...regarding a Society Day at **Crowborough Beacon Golf Club**. You can be assured of a warm welcome in the Clubhouse which features panoramic views over the Sussex Weald to the South Downs. Over the past 100 years Crowborough Beacon's rugged beauty has been enhanced by famed architects, including Augusta's Dr Alister MacKenzie, to become one of the South's premier heathland courses.*

As the legendary golf writer Bernard Darwin said: "The first thing that will strike the golfer who comes fresh to Crowborough is the wonderful view. I do not suppose there is a wider or more beautiful one in all England". He continued, "The holes are extraordinarily characteristic and easy to remember, all of them possess some dramatic and memorable feature."

In what we believe is a unique service societies enjoy the personal attention given by our team of Meeters and Greeters. A Club member is there to meet societies on their arrival and ensure that everything is in place and as requested. They will provide score cards and the markers for nearest the pins and longest drives as well as acting as a starter on the 1st tee.

A day at Crowborough Beacon combines a good test of golf for players of all standards with excellent catering facilities. If you require any further details at this stage please do not hesitate to speak to myself or any one of the management team.

I look forward to welcoming you to Crowborough Beacon Golf Club in the near future.

Kind Regards,

*John Holmes
General Manager*

DRESS CODE

Crowborough Beacon has a modern attitude to dress. For guidance:

In the Clubhouse – smart casual dress as would be defined by a majority of reasonably minded people.

Not acceptable is dirty, dishevelled and torn clothing; golf waterproofs; golf shoes or shoeless; vests; T shirts with offensive logos; head wear; shell or track suits; beach or camouflage wear. The exception is that clean shoes with soft spikes, not metal spikes, may be worn in the bar only when purchasing drinks before returning to the terrace.

On the Course – Clothing, including shoes that can be purchased in a golf store or professional shop.

Smart casual wear, but not jeans, may be worn on the golf course providing it is appropriate for the playing of golf and is consistent with the apparel indicated by the requirement above.

PLAYING FORMATS

Texas Scrambles and Shotgun Starts are not permitted unless by prior agreement.
